

# Apple Blossom Waldorf School & Family Center

## COVID-19 MASK POLICY FOR CHILDREN OVER THE AGE OF 3

**There is no policy currently in effect - the following is a contingency should State regulations change.**

In consultation with the Office of the Governor, Department of Education, and Department of Public Health, the order requiring children 3 years of age and older to wear masks while in child care centers, group child care homes, family child care homes and youth camps, which was issued in OEC Coronavirus Memo # 29, is hereby **rescinded effective February 28, 2022.**

***Please know these guidelines are subject to change as State regulations change.*** Should this policy change based upon an increased rise in Covid-19 cases, staff and children age 3 and older may be required to wear a mask while indoors, when medically, psychologically and developmentally appropriate as a strategy to mitigate the spread of Coronavirus. ***Should these guidelines change, any child enrolled at Apple Blossom School to which the regulations apply, will be required to adhere to the new policies in order to maintain their enrollment.***

If a mask mandate is reinstated a parent/guardian may submit documentation of a known medical contraindication or developmental needs that would preclude their child from wearing a mask, signed by a MD/PA/APRN with a detailed plan of care to address the condition that precludes the child from wearing the mask.

Enrollment at Apple Blossom Waldorf School and Family Center is contingent upon agreement of this mask policy. this mask policy.

### **POLICY AGREEMENT**

I have read and agree to Apple Blossom Waldorf School and Family Center's Covid-19 Mask Policy for Children Over the Age of 3 and understand my child's enrollment is contingent upon agreement to this policy
